

# Ata Gowani

[www.atagowani.com](http://www.atagowani.com) – Dallas, TX – [atagowani@gmail.com](mailto:atagowani@gmail.com)

## Education

The University of Texas at Dallas  
**Software Engineering, B.S.**  
2016-2020

## Experience

IntelliChoice Jan '17 – May '17

### **Web Developer**

Added features to the website for easier usage and fixed bugs  
HTML/CSS, JavaScript, Node, Polymer

Gowani Pump Supply Jun '16 – Mar '17

### **Web Developer**

Built, designed, and maintained the Gowani Pump Supply website.  
HTML/CSS, JavaScript, Bootstrap, jQuery, Webpack

## Projects

### **Quack**

HTML/CSS, JavaScript

### **HackNYU 2017, Sponsor Prize Winner**

Quack is a game that uses Leap Motion to teach and test the basic American Sign Language.

### **DailyMotivation**

HTML/CSS, JavaScript

### **Chrome Extension**

Inspired by the role motivation plays in my life, I created an extension that provides a motivational quote every time a new tab is opened. Currently motivating around **1,500 weekly users!**

### **Hangman Game**

HTML/CSS, JavaScript, AngularJS

### **A Summer Project**

A game made for students to play during study breaks and to help them improve their spelling and vocabulary.

## Hobbies

Tutor/Teacher Jan '16 – Present

### **Math, English, Computer Science**

Aga Khan Education Board

I love teaching in my spare time! The best part is seeing the students' faces when the 'Ah-ha' moment hits.
