Quack is a game that uses Leap Motion to teach and test the basic American Sign Language.

DailyMotivation

Chrome Extension

Inspired by the role motivation plays in my life, I created an extension that provides a motivational quote every time a new tab is opened. Currently motivating around **1,500 weekly users!**

Hobbies

Tutor

Math, English, Computer Science

Aga Khan Education Board

I love teaching in my spare time! The best part is seeing the students' faces when the 'Ah-ha' moment hits.

Choir Member

Ismaili Muslim Youth Choir

Besides teaching, I love to sing and listen to music.
